

GLUTA+ Ultra

Antioxidant / Glutathione · 1200 mg

Glutathione for Injection 1200 mg — a high-strength antioxidant combipack pairing a lyophilized glutathione vial with a Vitamin C ampoule, for IV/IM use.

GLUTA+ Ultra is supplied as a two-unit combipack: a lyophilized glutathione vial (1200 mg) paired with a Vitamin C Injection IP ampoule used to reconstitute it.

Reconstitute the vial with the Vitamin C ampoule supplied with the pack until clear. The reconstituted solution should be used immediately and not stored.

KEY BENEFITS

- Powerful antioxidant combination
- Supports skin brightening and glow
- Single dose combipack for IV/IM use only

COMPOSITION
