

GLUTA+

Antioxidant / Glutathione + Vitamin C · 600 mg + Vitamin C

Glutathione for Injection & Vitamin C Injection IP — a two-part combipack pairing 600 mg glutathione with vitamin C for reconstitution.

GLUTA+ is supplied as a two-part combipack: Part A is a sterile glutathione vial, Part B is a 2 mL vitamin C ampoule used to reconstitute it.

Dissolve the contents of the vial with the sterile water for injection IP supplied until clear, then gently mix the Vitamin C Injection IP into the reconstituted vial. Use immediately — do not store the reconstituted solution.

KEY BENEFITS

- Powerful antioxidant support
- Supports immune health
- Promotes skin radiance

COMPOSITION

Component	Quantity
Part A — Glutathione (Sterile)	600 mg per vial
Part B — Vitamin C IP (per 2 mL)	500 mg
